6.6.2 Compatibility with State and Federal Laws and Regulations.
The Zoning Bylaw provisions pertaining to Firearm Businesses are not intended to supersede Federal or State laws or regulations except to the extent that any such laws or provisions allow a municipality to adopt standards more stringent than the minimum standards provided in such laws and regulations.

However, setback distances for 6.6.5.1.e shall be measured from the nearest point of the structure, or unit within a multi-tenant structure, within which the Firearm Business would operate to the nearest point of a structure, or unit within a multi-tenant structure, in which an existing Firearms Business is located.

3. The commencement of one or more of the above uses to within the required setback distance to a proposed Firearm Business shall not invalidate or disallow a special permit allowing a Firearm Business, provided that the initial special permit application for a Firearm Business was received (date of submittal) prior to the commencement of said use.

   a. The application is for a new applicant (change of applicant) for an existing Firearm Business;
   b. The application is for adding another element of service to an existing Firearm Business;

DRAFT ZONING BYLAW AMENDMENT - FIREARM BUSINESSES

Firearm Business. Pursuant to Section 6.6.4, facilities owned and operated by nonprofit sports or social membership clubs containing one or more elements of a Firearm Business, such as a Firing Range, shall not count towards the total number of Firearm Businesses allowed to operate in Town.

It is not the intent of this Section to prohibit the lawful acquisition of Firearms and Ammunition, the lawful maintenance of Firearms through Gunsmith services, or the lawful practice and training in the use of Firearms within the Town of Westford. Therefore, notwithstanding the restriction on the total number of Firearm Businesses set forth above, in the event that the limit of five (5)four (4) special permits is reached, the SPGA may waive this limitation upon a finding by supermajority (2/3) vote that the proposed Firearm Business would provide service as a Firearm Dealer, Firing Range, or Gunsmith, where such service is not yet being provided by any of the then-existing Firearm Businesses in Town.

6.6.10 Lapse.
Special permits issued for Firearm Businesses shall be limited to the applicant and shall lapse if the permit holder ceases operation or transfers ownership of the operation of the Firearm Business.

6.6.11 Severability.
The provisions of the Bylaw are severable. To the extent this section or any related section can be read to potentially conflict with G.L. c. 140 or other State laws or regulations, the section shall be interpreted to minimize any conflict with State laws or regulations while maximizing the furtherance of the public safety and other public purposes underlying this Section. The invalidity of any Section or provision of this Zoning Bylaw shall not invalidate any other Section or provision hereof.
